How to Apply for the Electricity Rebate

All eligible customers who satisfy the conditions under which the rebate will be granted, as listed above, and who wish to claim the rebate/s can at the discretion of the Retail Entity, either complete a written **Application for Electricity Rebate** or apply by telephoning their Retail Entity.

Failure to satisfactorily complete the written application form may delay the operative date of the rebate. If you are uncertain how to complete the application form please seek advice from your Retail Entity.

Where an electricity account is in more than one name, only one person who is eligible to receive the rebate and resides at the residence can receive the rebate i.e. a household can only receive one rebate.

Lodging Your Application

The Electricity Retail Corporation accepts no liability for the loss of an application. Your application whether written or by telephone must be received at least **14 days** prior to the next billing period, otherwise no guarantee can be given that the rebate will be credited for that next period. The Electricity Retail Corporation will make every endeavour to credit the electricity rebate on the applicant's electricity account. It is the applicant's responsibility to check all electricity accounts to ensure that the rebate has been credited.

Privacy Notice

The Retail Entity is collecting the information on the application form to assess your eligibility for the concession and to manage payments of the concession if it is granted. If you do not provide this information, your application will not be able to be processed. The Retail Entity usually gives some or all of this information to:

- Department of Human Services (Centrelink)
- Department of Veterans' Affairs
- Department of Communities, Child Safety and Disability Services (Concession Services and Card Services, Smart Service Queensland)

Verification of Eligibility

The concession will only be paid if the customer gives their consent to the Retail Entity to disclose relevant personal information to the Department of Communities, Child Safety and Disability Services, Department of Human Services (Centrelink) and Department of Veterans' Affairs, so they can check the customer's continued eligibility for the concession.

Change in Circumstances

Customers must notify their Retail Entity immediately of any changes to their address or eligibility to receive the concession. The Retail Entity may require a new application to be submitted.

Renewal of Application

Renewal of application for the rebate may be required periodically at the discretion of the Retail Entity. A new application must be lodged if changing retailers.

Fraudulent Claims

The Electricity Rebate scheme was introduced to provide concessions to those people considered most in need of financial assistance. Where such an application has been submitted for the purpose of fraudulently obtaining a rebate, legal action may be taken against the applicant.
